

right part. right place. right time.

service overview

entertainment industry

For over thirty-five years, NGL has been the recognized leader in providing expedited transportation services to the entertainment industry. Our complete suite of specialized services includes:

- Security Screenings – monitored and protected shipments of pre-release films.
- Replacement Reels – expedited delivery of partial or full replacement reels to theatres.
- Movie Circuiting – efficient routing and transportation theatre to theatre.
- Daily Film Production – safe, secure delivery from shooting location to the lab.
- Game films – timely exchange of films between professional and college teams.
- Transportation of props, marketing material, contracts, film and sound systems.

When Time is Not on Your Side, We Are

Whether it's transporting game film between professional or college teams, or shipping movies or replacement reels from theatre to theatre, you can count on NGL. Just contact one of our customer service representatives who will provide you with an accurate pickup time, flight availability, and delivery time.

Convenient 24-hour Service

We are available at any time, including weekends and holidays. NGL vehicles are radio dispatched so that we can respond within the shortest possible time to expedite your critical shipments. NGL employees staff our offices 24 hours a day, 7 days a week. We never close!

Shipment Tracking (via NetShip™)

As an NGL client, you can use our web resources throughout the shipping process. Clients can check flight options, place shipment orders online, track shipments, view national weather conditions, receive proof-of-deliveries, check rates, run shipping reports and more.

On Board Courier

For material that cannot be left unattended, NGL will provide an on board courier to ensure that your material is in-sight at all times, from pickup until delivery.

Aircraft Charter

NGL will charter aircraft to expedite your material anywhere in the country or world.

Following Through to Delivery

From pickup to delivery, NGL provides a full set of services to keep you aware of your shipment's progress. This includes a customer service representative calling you with the name of the person who signed for your shipment, and the exact time and date of delivery. We also have a complete menu of automated notifications that will enable you to track the shipment from origin to destination at key points during the process.
